 - b. Discuss the prevention of and treatment for the following health concerns that could occur while fishing, including cuts and scratches, puncture wounds, insect bites, hypothermia, dehydration, heat exhaustion, heatstroke, and sunburn.
 - c. Explain how to remove a hook that has lodged in your arm.
 - d. Name and explain five safety practices you should always follow while fishing.

3. Demonstrate the proper use of two different types of fishing equipment.
4. Demonstrate how to tie the following knots: improved clinch knot, Palomar knot, uni knot, uni to uni knot, and arbor knot. Explain how and when each knot is used.

9. Catch at least one fish and identify it.
10. If regulations and health concerns permit, clean and cook a fish you have caught. If you are unable to catch a fish for eating, acquire a fish, clean the fish you acquired, and cook the fish you acquired. (It is not required that you eat the fish.)

Earning the BSA Complete Angler Award could help you expand your fishing knowledge and experiences. To become eligible for the award, start by earning these three merit badges: Fishing, Fly-Fishing, and Fish and Wildlife Management. Then complete one or more of the following projects:

- Teach a Fishing or Fly Fishing merit badge skill to your troop, crew, or team as part of a unit program activity.
- Help instruct Cub Scouts on fishing skills or fishery management as part of a Cub Scout meeting or outing.
- Participate in a local fishing derby or tournament, either a Scouting or community event.
- Complete a conservation project that will benefit a local fishery.

With the Complete Angler Award, you can become a mentor for younger Scouts, sharing your knowledge and helping others to enjoy a positive fishing experience. For more information, visit www.scouting.org/outdoor-programs/fishing/.

Acknowledgments

The Boy Scouts of America thanks Douglas Precourt; Robert J. Sousa, Ph.D., U.S. Fish and Wildlife Service (retired); and Ben Jelsema, volunteer Scouter, for preparing this revised version of the *Fishing* merit badge pamphlet. Sousa and Jelsema have put in countless hours through the years as coordinators of the fishing programs for the national Scout jamborees. Thanks also to Howard Kern, Master Leave No Trace Trainer, for his valuable assistance.

We are grateful to Howard E. Evans, Ph.D., and Edward Brothers of Ithaca, N.Y., for their expertise and invaluable input, and to Bob Cary, who wrote and illustrated the previous edition of the pamphlet, upon which this edition was based. Several of his illustrations remain in this edition. Thanks also to Trout Unlimited for its support.

The Boy Scouts of America is grateful to the men and women serving on the National Merit Badge Subcommittee for the improvements made in updating this pamphlet.
